Foxhunt: Nothing, maybe in a week from this Saturday

MSU Ham Club: David Schwehr KG7CCY-first meeting was last week, three people showed up. We are working on flyers

Old Business:

- Bridger Ridge Run Association- Todd Gahagen WA7U; \$8,400 needs to be collected for the new building from the ham group, not \$700 like previously thought. This would be collected over a seven year period in addition to what the club is paying now. The building would then be paid for and nothing more would be owed except for the monthly charge
- If you would like to donate there is a donate button on the ERA webpage
- Tour DE Cure-Jerry Gregoire KD7WLX; went really well. There were 23 crew members. The Ham crew did great. Thank you everyone
- Belgrade Fall Fest-Norm Reger KD7TQM; went good, had enough people. Thank you

New Business:

- Civil Air Club/SAR needs an air band receiver
- Elections for officers will be held in December. Are you interested? Talk to Bruce Walker KE7SJZ President or any other officer
- Holiday Dinner is coming up in January; please think of where and when. Johnny Corino's was a suggestion

Announcements/Information:

- George Forsyth AA7GS, Section manager for the ARRL
- George sent a list of events to net operators. There will be a state wide event on October 19th at 10:19. This is just to see how many will check in
- Common Law Grand Jury wants to get involved in ham radio. It was suggested that they talk to Larry Springer about classes to take. It was also recommended to check out the books in the public library and Ham study apps online
